If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 12 of the Master Agreement or does not and will not meet the conditions and requirements set out in clauses 13-34 of the Master Agreement or the Company is in material breach of the provisions of this Agreement, the Master Agreement, the School Agreement and/or the Principal Agreement, and such breach will not be remedied to his reasonable satisfaction, he shall give the Company twelve months written notice to terminate this Agreement.
- 5.7 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, the period of twelve months notice referred to in clause 5.6 may be shortened to a period deemed appropriate by the Secretary of State.
- 5.8 The Secretary of State will, by not later than the end of December each year provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding").

5.9 For the purpose of clause 5:

"Critical Years" means the then current financial year and, if an annual letter of funding has been received for the following financial year, that following financial year;

"Current Funding" means the funding specified in the annual letters of funding for the Critical Years and all other resources available and likely to be available to the Company, including such funds as are set out in the Master Agreement;

A "PFI EAG Refusal" occurs where:

- (a) the Company has made a request for EAG funding to cover any costs that the Company has incurred or reasonably considers is likely to incur as a result of meeting its obligations and/or discharging its liabilities under the School Agreement or the Principal Agreement; and
- (b) the Secretary of State has not agreed, in accordance with clauses 61 and 62 of the Master Agreement, to provide such EAG funding to the Company.

5.10 Within 30 days of being notified by the Secretary of State of a PFI EAG Refusal, the Company may provide written notice that it considers that, after taking into account its Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency ("Company Insolvency Notice").

5.11 Any Company Insolvency Notice must specify:

- 5.11.1 the grounds and evidence, including any professional accounting advice, upon which the Company's opinion is based;
- 5.11.2 a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the running costs are reduced sufficiently in the Critical Years to ensure that such costs are less than its Current Funding and the period of time within which such steps will be taken
- 5.11.3 the shortfall in the Critical Years between the Current Funding expected to be available to the Company to cover the running costs and the projected expenditure of the Company; and
- 5.11.4 detailed budget of income and expenditure for the Academy during the Critical Years.

5.12 Within 15 days of the provision of the Company Insolvency Notice, both parties shall discuss and if possible (using reasonable endeavours) agree whether or not on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency and such Insolvency could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable funding costs of the Academy). Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their reasonable endeavours to agree a practical solution to the problem.

5.13 If the parties are unable to reach an agreement in accordance with clause 5.12 within 15 days of the Company Insolvency Notice being served, then the following questions shall be referred to an independent expert (the "Expert") for determination:

5.13.1 whether, on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency;

5.13.2 whether the Company is using the funds provided under this Agreement and the Master Agreement prudently; and

5.13.3 whether the Company is using the funds provided under this Agreement and the Master Agreement in accordance with the requirements of this Agreement and the Master Agreement.

The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination:

- (a) the amount of the shortfall (if any) in funding between the running costs and the Current Funding during the Critical Years (the "**Shortfall**"); and
- (b) (if appropriate) recommendations as to future spending and the running costs.

The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales.

5.14 The parties shall procure that the Expert (together with any educational specialist appointed pursuant to this clause) will act promptly in determining the matters referred to him. The Expert shall be required in performing his role to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust.

5.15 The Expert's and the educational specialist's fees shall be borne equally between the parties.

5.16 For the purpose of clause 5.17 and 5.20, "**Insolvency Decision**" means either:

(a) in accordance with clause 5.12, the Secretary of State agrees with the Company that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency which could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable funding costs of the Academy); or

(b) an Expert determines in accordance with clause 5.13 that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency or that the Company is not using the funds provided under this Agreement and the Master Agreement prudently and in accordance with the requirements of this Agreement and the Master Agreement.

5.17 Within 10 Business Days of an Insolvency Decision, the Secretary of State may either at its option:

5.17.1 withdraw the PFI EAG Refusal and promptly pay to the Company the amount of requested EAG funding or such other sum as shall be appropriate; or

- 5.17.2 terminate this Agreement on not less than 20 Business Days notice to the Company.
- 5.18 In the event that the Secretary of State provides additional EAG funding in accordance with clause 5.17, the Secretary of State may:

 - 5.18.2 within 12 months of paying the additional EAG funding, terminate this Agreement at any time.
- 5.19 In the event that the Secretary of State appoints Additional Directors in accordance with clause 5.18.1, the Company must, upon the request of the Secretary of State, procure the resignation of the Directors who are not Additional Directors in accordance with the Company's articles.
- 5.20 In the event that there is no Insolvency Decision, this Agreement shall continue and the Secretary of State shall not be obliged to pay to the Company the requested EAG funding.
- 5.21 The Secretary of State may at any time by notice in writing terminate this Agreement forthwith if the Academy has ceased (except where such cessation occurs temporarily by reason of an event beyond the reasonable control of the Company) to operate as an Academy within the meaning of Section 1 of the Academies Act 2010.

- 5.22.1 the Chief Inspector gives a notice to the Company in accordance with section 13(3) of the Education Act 2005 (the "Special Measures Notice") stating that in his opinion special measures are required to be taken in relation to the Academy; and
 - 5.22.2 the Chief Inspector carries out a subsequent inspection of the Academy in accordance with the Education Act 2005 and makes a report in accordance with the Education Act 2005 stating that the Academy has made inadequate progress since the date of the Special Measures Notice; and
 - 5.22.3 the Secretary of State shall have requested the Company to deliver within 10 Business Days a written statement (a "Further Action Statement") of the action the Company proposes to take, and the

period within which it proposes to take such action, or, if it does not propose to take any action, the reasons for not doing so; and

5.22.4 the Secretary of State, having considered the Further Action Statement, is not satisfied that any action proposed to be taken by the Company is sufficient in all the circumstances, or, if no Further Action Statement shall have been given to the Secretary of State within the requested timeframe or otherwise.

5.23 If a Special Measures Termination Event occurs, the Secretary of State may:

5.23.1 by notice in writing to the Company terminate this Agreement forthwith; or

5.23.2 subject to clause 109 of the Master Agreement, appoint such Further Directors to the Company as he thinks fit in accordance with the Articles and/or may provide up to 12 months' notice in writing to terminate this Agreement.
