If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute and shall promptly pay any additional amount due to the Company following resolution of the dispute if further payment is due to the Company.

#### **IMPLEMENTATION GRANT**

- 4.5 The Secretary of State will not, in relation to the Academy, pay Implementation Grant pursuant to clauses 58 to 62 of the Master Agreement.

## **5 GAG AND EAG**

5.1 Subject to clauses 5.2 to 5.5, the Secretary of State agrees to pay GAG and EAG to the Company in relation to the Academy in accordance with the Master Agreement.

5.2 In respect of the Academy, clause 62(1)(h) of the Master Agreement will be replaced with the following:

*“h) insurance, provided that the Secretary of State shall not be obliged to pay GAG in relation to insurance to the extent that insurance and/or comparable arrangements are made available to the Company (whether at a cost to the Company or otherwise and whether made available by and/or on behalf of the Secretary of State or otherwise) save that, to the extent that such insurance and/or comparable arrangements as may be made available constitute a cost for the Company, the Secretary of State shall provide a contribution through GAG in relation to such cost;”*

5.3 In respect of the Academy only, clauses 64 to 65 of the Master Agreement will be replaced with the following clauses:

*“64) Subject to clauses 68 and 70, GAG for each Academy Financial Year for the Academy will include:*

*a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy; and*

*b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.*

*65) The GAG for each Academy Financial Year for the Academy will also include, payable on a basis equivalent to that applied to maintained schools:*

*a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and*

*b) payments in respect of further, specific grants made available to maintained schools, where the Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.”*

5.4 In respect of the Academy only, clauses 66 and 67 of the Master Agreement shall not apply and shall be replaced with the following clauses (including a new clause 65A):

65A) *Subject to clause 67, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which the Academy opens shall be the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State. In subsequent years the basis of the pupil count will be as determined by the Secretary of State.*

66) *Subject to clause 67, the basis of the pupil number count for the purpose of determining GAG for Academy Financial Years after the Academy Financial Year in which the Academy opens will be the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question.*

67) *Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:*

a) *not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or*

b) *the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been greater than 90% of that number.*

67A) *Where GAG has been calculated in accordance with clause 65A, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.*

67B) *Where GAG is calculated in accordance with clause 66, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.*

- 5.5 Grants paid by the Secretary of State shall only be used by the Company for the educational purposes listed in clause 3 of the Memorandum, ("the Object"). Such funds shall not be used by the Company for purposes that do not directly relate to the Object of

providing education in the United Kingdom, in particular by establishing, maintaining, carrying on, managing and developing schools. Grants shall not be used for purposes other than the Object without the prior written consent of the Secretary of State.

## **6 TERMINATION**

6.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2019 or any subsequent anniversary of that date.

6.2 If the Secretary of State is of the opinion that the Academy no longer has the characteristics set out in clause 12 of the Master Agreement (as amended by this Agreement) or that the conditions and requirements set out in clauses 13 - 40 (other than clauses 17 - 19, 23, 25 paragraphs (1)-(3), 33 - 34, 35 and 39 - 40) of the Master Agreement (as amended by this Agreement) and clauses 2.5, 2.9, 2.10, 2.12, 2.13 to 2.17, 2.19, 2.20 and 3 of this Agreement are not being met, or that the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement), the Secretary of State may give notice of his provisional intention to terminate this Agreement.

6.3 Any such notice shall be in writing and shall:

- (a) state the grounds on which the Secretary of State considers the Academy no longer has the characteristics set out in clause 12 of the Master Agreement (as amended by this Agreement) or that the conditions and requirements set out in clauses 13 - 40 (other than clauses 17 - 19, 23, 25 paragraphs (1)-(3), 33 - 34, 35 and 39 - 40) of the Master Agreement (as amended by this Agreement) and clauses 2.5, 2.9, 2.10, 2.12, 2.13 to 2.17, 2.19, 2.20 and 3 of this Agreement or the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement (as amended by this Agreement);
- (b) specify the measures needed to remedy the situation or breach;
- (c) specify a reasonable date by which these measures are to be implemented; and
- (d) state the form in which the Company is to provide its response and a reasonable date by which it must be provided.

6.4 If no response is received by the date specified in accordance with clause 6.3(d), the Secretary of State may give the Company 12 months, or such lesser period as he considers appropriate in the circumstances, written notice to terminate this Agreement.

- 6.5 If a response is received by the date specified in accordance with clause 6.3(d), the Secretary of State shall consider it, and any representations made by the Company, and shall, within three months of its receipt, indicate that:
- (a) he is content with the response and/or that the measures which he specified are being implemented; or
  - (b) he is content, subject to any further measures he reasonably specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or
  - (c) he is not satisfied, that he does not believe that he can be reasonably satisfied, and that he will proceed to terminate the Agreement.
- 6.6 In the circumstances of clause 6.5(c), the Secretary of State shall notify the Company why he believes that he cannot be reasonably satisfied and, if so requested by the Company within thirty days from such notification, he shall meet a deputation including representatives from directors of the Company to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 12 of the Master Agreement (as amended by this Agreement) or that the conditions and requirements set out in clauses 13 - 40 (other than clauses 17 - 19, 23, 25 paragraphs (1)-(3), 33 – 34, 35 and 39 - 40) of the Master Agreement (as amended by this Agreement) and clauses 2.5, 2.9, 2.10, 2.12, 2.13 to 2.17, 2.19, 2.20 and 3 of this Agreement or the Company is in material breach of the provisions of this Agreement or the Master Agreement and such breach will not be remedied to his reasonable satisfaction, he shall give the Company twelve months written notice to terminate this Agreement.
- 6.7 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, the period of twelve months notice referred to in clause 5.6 may be shortened to a period deemed appropriate by the Secretary of State.
- 6.8 The Secretary of State shall, by the end of December of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the “**Critical Year**”) and of the taking into account all other resources available and likely

to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“**All Other Resources**”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

6.9 Any notice given by the Company under clause 6.8 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 6.8 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

- (a) the grounds upon which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and
- (b) the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and
- (c) a detailed budget of income and expenditure for the Academy during the Critical Year (the “**Projected Budget**”).

6.10 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

6.11 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the

“**Expert**”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “**Shortfall**”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.

- 6.12 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist’s fees shall be borne equally between the parties.
- 6.13 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert’s determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.
- 6.14 If the Company shall have given notice to terminate the Agreement under 6.13, the Secretary of State may by notice in writing to the Company require the Company to appoint up to two persons as directors of the Company in accordance with the Articles.
- 6.15 The Secretary of State may at any time by notice in writing terminate this Agreement forthwith if the Academy has ceased (except where such cessation occurs temporarily by reason of an event beyond the reasonable control of the Company) to operate as an Academy within the meaning of Section 1 of the Academies Act 2010.
- 6.16 A “Special Measures Termination Event Occurs” when:
- (a) the Chief Inspector gives a notice to the Company in accordance with section 13(3) of the Education Act 2005 (the “Special Measures Notice”) stating that in his opinion special measures are required to be taken in relation to the Academy; and

- (b) the Chief Inspector carries out a subsequent inspection of the Academy in accordance with the Education Act 2005 and makes a report in accordance with the Education Act 2005 stating that the Academy has made inadequate progress since the date of the Special Measures Notice; and
- (c) the Secretary of State shall have requested the Company to deliver within 10 Business Days a written statement (a "Further Action Statement") of the action the Company proposes to take, and the period within which it proposes to take such action, or, if it does not propose to take any action, the reasons for not doing so; and
- (d) the Secretary of State, having considered the Further Action Statement, is not satisfied that any action proposed to be taken by the Company is sufficient in all the circumstances, or, if no Further Action Statement shall have been given to the Secretary of State within the requested timeframe or otherwise.

6.17 If a Special Measures Termination Event occurs, the Secretary of State may:

- (a) in relation to a member of the Academy Governing Body who has been appointed by the Company serve notice in writing on the Company requiring the Company to procure the resignation and removal of such persons and/or procure the appointment of such additional Academy Governing Body members as the Company has the power to appoint under its Articles and as specified by the Secretary of State in the notice; or
- (b) give notice in writing to terminate this Agreement forthwith.

## **7 EFFECT OF TERMINATION**

7.1 In the event of termination of this Agreement however occurring, the Academy shall cease to be an academy within the meaning of Section 1 of the Academies Act 2010.

## ANNEX 1

### REQUIREMENTS FOR THE ADMISSION OF PUPILS TO THE OASIS ACADEMY BYRON (THE "ACADEMY")

#### GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.
2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education ("the Codes") as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to "admission authorities" shall be deemed to be references to the Directors of the Company.
  - 2A The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children<sup>1</sup>) to other children attracting the pupil premium, including the service premium ('the pupil premium admission criterion'). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.
  - 2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:
    - any personal details about their financial status; or
    - whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.
3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.
4. Notwithstanding any provision in this Annex, the Secretary of State may:
  - (a) direct the Company to admit a named pupil to the Academy on application from an LA. This will include complying with a School Attendance Order<sup>2</sup>. Before doing so the Secretary of State will consult the Company;
  - (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes;
  - (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the School Admission Appeals

---

<sup>1</sup> As defined in the School Admissions Code.

<sup>2</sup> Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

Code.

5. The Company shall ensure that parents and ‘relevant children’<sup>3</sup> will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

### **Relevant Area**

6. Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

7. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

### **Requirement to admit pupils**

8. Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

9. The Company will:

- a. subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy; and
- b. determine admission oversubscription criteria for the Academy that give highest priority to looked after children and previously looked after children, in accordance with the relevant provisions of the School Admissions Code.

### **Oversubscription criteria, admission number, consultation, determination and objections.**

10. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group<sup>4</sup>. The Company will consult on the Academy’s admission arrangements and determine them in line with the requirements within the School Admissions Code.

11. The Office of the School’s Adjudicator (OSA) will consider objections to the

<sup>3</sup> relevant children’ means:

- a) in the case of appeals for entry to a sixth form, the child, and;
- b) in any other case, children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school.

<sup>4</sup> ‘Relevant age group’ means ‘normal point of admission to the school, for example, year R, Year7 and Year 12.

Academy's admission arrangements<sup>5</sup>. The Company should therefore make it clear, when determining the Academy's admission arrangements, that objections should be submitted to the OSA.

12. A determination of an objection by the OSA will be binding upon the Academy and the Company will make appropriate changes as quickly as possible.

---

<sup>5</sup> The OSA has no jurisdiction to consider objections against the agreed variation from the Codes set out in paragraphs 2A and 2B.

## ANNEX 2

### ARRANGEMENTS FOR PUPILS WITH SPECIAL EDUCATIONAL NEEDS ('SEN') AND DISABILITIES AT THE OASIS ACADEMY BYRON (THE "ACADEMY")

#### DUTIES IN RELATION TO PUPILS WITH SEN

1. The Directors of the Company must, in respect of the Academy, comply with all of the duties imposed upon the governing bodies of maintained schools in:
  - Part 4 of the Education Act 1996 as amended from time to time;
  - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
  - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time<sup>1</sup>.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex 2 where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in the Academy, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
  - the child receiving the special educational provision which his learning difficulty calls for,
  - the provision of efficient education for the children with whom he will be educated, and
  - the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Equality Act 2010<sup>2</sup>).

---

<sup>1</sup> These Regulations are amended by The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2009 (SI 2009 No 1387).

<sup>2</sup> For the meaning of 'disabled', see section 6 of the Equality Act 2010.

## Admissions

5. The Company must ensure that for the Academy pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name the Academy in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company considers that the Academy should not have been named in a child's statement, it may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.
11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should be named, the Company shall admit the child to the Academy notwithstanding any provision of Annex 1 of this Agreement.
