- (a) in the light of the Company's representations in response to the Termination Warning Notice, some or all of the Specified Remedial Measures are not required to be implemented (and if so which) and/or the Specified Remedial Measures are being or will be implemented within the specified timeframe; or

Request to consider termination if the Academy is financially unsustainable

- 5.7 Subject to the condition in 5.8 below, the Company may by notice in writing request the Secretary of State to terminate this Agreement ("Termination Request Notice") where the Company considers the Academy is or will be unable to attract sufficient pupils to enable the Academy to be financially sustainable in the foreseeable future, each party recognising that for these purposes the Company will not be required to subsidise the operations of the Academy by diverting the funding available for the operation of other academies and/or free schools operated by the Company.

- (c) in the light of the Company's representations in its Termination Request Notice, there are measures which the Secretary of State requires the Company to carry out, with associated deadlines for the implementation and review of such measures and the date after which a further Termination Request Notice under 5.7 will be considered by the Secretary of State;
- (d) he is satisfied that the Academy has no reasonable prospect of becoming financially sustainable in the foreseeable future, in which case the Secretary of State will consent to the Company terminating this Agreement on 31 August following the Termination Request Notice or on such other date as the parties may mutually agree and the Company may by notice in writing to the Secretary of State terminate this Agreement on that date; or
- (e) the Academy is or will become financially sustainable in the foreseeable future and the basis for his view. In such circumstances, the Secretary of State will consider a further Termination Request Notice under 5.7 where the Company can demonstrate in that Notice a material change affecting the financial sustainability of the Academy.

5.11 Both parties recognise that if a Termination Request Notice is given by the company they will need to engage in a constructive dialogue about how best to provide education for the pupils at the Academy and undertake to use their respective best endeavours to agree a practical solution to the problem identified by the Termination Request Notice and, if possible, to seek ways in which the financial sustainability of the Academy can be achieved.

5.12 If this Agreement is terminated in accordance with clause 5.10 the parties shall agree as soon as practical arrangements for the closure of the Academy and the future teaching of the pupils at the Academy.

- (a) promptly transfer a proportion of the assets to a person nominated by the Secretary of State, if the Secretary of State considers that all or some of those assets need to be used for any educational purposes by that nominee. The proportion of the assets to be transferred shall be the same as the proportion of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or at a later date; or

(b) if the Secretary of State confirms that a transfer under clause 6.5(a) is not required, promptly repay to the Secretary of State a sum equivalent to the percentage of the value of the assets at the date of termination, or, by agreement with the Secretary of State, at the date of subsequent disposal of those assets.
