GAG AND EAG

- 4.1 The Secretary of State agrees to pay GAG and EAG to the Company in relation to the Academy in accordance with the Master Agreement.

TERMINATION

- 5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2021 or any subsequent anniversary of that date.

Notice of Intention to Terminate by Company

- 5.2 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding"). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the "Critical Year") and of the taking into account all other resources available and likely to be available to

the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“All Other Resources”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.3 Any notice given by the Company under clause 5.2 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.2 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

5.3.1. the grounds upon which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

5.3.2. the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

5.3.3. a detailed budget of income and expenditure for the Academy during the Critical Year (the “Projected Budget”).

- 5.4 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.
- 5.5 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the "Expert") for resolution. The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the "Shortfall"). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert's fees shall be borne equally between the parties.
- 5.6 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.

5.7 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Termination Warning Notice

5.7A The Secretary of State shall be entitled to issue to the Company a written notice of his intention to terminate this Agreement ("Termination Warning Notice") where he considers that:-

- b) the remedial measures which the Secretary of State requires the Company to carry out, with associated deadlines, in order to rectify the defaults identified ("Specified Remedial Measures"); and;
- c) the date by which the Company must respond to the Termination Warning Notice providing its representations with regard thereto and/or confirm that it accepts and agrees to undertake the Specified Remedial Measures.

- a) in light of the Company's representations in response to the Termination Warning Notice, some or all of the Specified Remedial Measures are not required to be implemented (and if so which) and/or the Specified Remedial Measures are being or will be implemented with the specified timeframe; or
- b) subject to any further measures he reasonably requires ("Further Remedial Measures") being implemented by a specified date or any evidence he requires being provided, the implementation of such measures has been or will be successfully completed within the specified timeframes; or
- c) he is not satisfied that the Company will rectify the defaults identified in the Termination Warning Notice within the specified timeframes. (In such circumstances, the Secretary of State may notify the Company of his intention to terminate the Agreement on a specified date.)

5.7D The Secretary of State may by notice in writing terminate this Agreement with effect from a specified date in the event that:

a) the Company has not by the date specified in clause 5.7Bc) responded to the Termination Warning Notice either confirming that it accepts and agrees to undertake the Specified Remedial Measures or providing its representations with regard to the Specified Remedial Measures; or

b) the Company has not carried out the Specified Remedial Measures and/or Further Remedial Measures within the specified timeframes;

provided that having considered any representations made by the Company pursuant to clause 5.7Bc), the Secretary of State remains satisfied that it is appropriate to terminate the Agreement

Notice of Intention to Terminate

or

(b) the Academy requires significant improvement.

5.7F Any notice issued by the Secretary of State in accordance with clause 5.7E shall invite the Company to respond with any representations within a specified timeframe.

5.7G Where the Secretary of State has given notice of his intention to terminate this Agreement in accordance with clauses 5.7E and 5.7F and –

- (c) by written notice provide such notice as he deems appropriate in

- (b) terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

5.10 If the Company has not acquired the Land by date 31/01/2015, the Secretary of State may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

5.11 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, he may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

as a result of which, the Secretary of State considers that that Governor or member is unsuitable to take part in the management of the Academies.

Academy

Annex 1

The Gatwick School Site Plan

Annex 2

Annex 1

Requirements for the Admissions of Pupils at The Gatwick School (“the Academy”)

GENERAL

This Annex may be amended in writing at any time by agreement between the Secretary of State and the Crawley Free School Trust (“the Company”).

Except as provided in paragraphs 2A to 3 below the (“the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the governing body of the Company.

2A The Company is permitted to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children⁵) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where the Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code (2012) do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:

- (a) any personal details about their financial status; or
- (b) whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.

2C The Academy Trust is also permitted by the Secretary of State to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children) to children whose parents have permitted Founders status. The Academy Trust should ensure that they grant Founders status according to the requirements of Charity law, which permit special provision to be made for a small group of the

⁵ As defined in the School Admissions Code.

general beneficiaries of the Charity providing that the greatest benefit is to the wider community. The Academy Trust should only grant Founders status to a parent or guardian whom the Company has identified in its discretion as having genuinely played a material role in setting up the school and, where appropriate, whose continued role is deemed by the Company to be needed to establish the school in its early years for the benefit of the public as a whole.

Notwithstanding the generality of paragraph 2 of this Annex, the Company will not participate in the co-ordinated admission arrangements operated by the LA for the first year of opening but will participate in such arrangements operated by the LA in subsequent years and the local Fair Access Protocol.

Notwithstanding any provision in this Annex, the Secretary of State may:

- (a) direct the Company to admit a named pupil to the Academy on application from a LA. This will include complying with a School Attendance Order⁶. Before doing so the Secretary of State will consult the Company.
- (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes.
- (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the Admission Appeals Code.

The Company shall ensure that parents and 'relevant children'⁷ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with

⁶ Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

⁷ 'relevant children' means:

- a) in the case of appeals for entry to a sixth form, the child, and;
- b) in any other case, children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school.

the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

Relevant Area

Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

Requirement to admit pupils

Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

The Academy will:

- a. subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy;
- b. adopt admission oversubscription criteria that give highest priority to looked after children, in accordance with the relevant provisions of the School Admissions Code.

Oversubscription criteria, admission number, consultation, determination and objections.

The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group⁸. The Company will consult on its admission arrangements and determine them in line with the requirements within the School Admissions Code.

The Company must make it clear, when determining the Academy’s admission arrangements, that objections should be submitted to the Schools Adjudicator.

⁸ ‘Relevant age group’ means ‘normal point of admission to the school: for example, year R, Year7 and Year 12.

A determination of an objection by the Schools Adjudicator will be binding upon the Company.
