The additional or clawed-back grant will be only that amount relevant to the number of pupils above or below that estimate.

- 4.9 For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 4.6), no adjustment will be made to the equivalence funding element in the following Academy Financial Year's equivalence funding element of GAG for the Academy unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG for the Academy the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the Annual Letter of Funding or its equivalent.
- 4.10 Clause 74 a) of the Master Agreement shall not apply to the Academy. As set out in clauses 4.3 to 4.9 of this Supplemental Agreement and made in accordance with clause 52 of the Master Agreement and clause 4A.2 of this Supplemental Agreement any additional grant provided over and above that may be carried forward limitation or deduction until the Start-up Period (as this period is defined in this Supplemental Agreement) or the circumstances set out in clause 52 of the Master Funding Agreement come to an end
- 4.11 If the Secretary of State pays grant not including GAG to the Company on condition either that such grant be used for a particular purpose or purposes or that such grant be used by a certain date, any failure on the part of the Company to use such grant for such a purpose or purposes or by such date may be taken into account by the Secretary of State either:

5 **TERMINATION**

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2022 or any subsequent anniversary of that date.

Notice of Intention to Terminate by the Company

5.2 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding"). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the "Critical Year") and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company ("All Other Resources"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

Multi Studio School Model

- 5.3 Any notice given by the Company under clause 5.2 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.2 above, within six weeks after the Secretary of State shall have done so. The notice must specify:
- (a) the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and
 - (b) the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and
 - (c) a detailed budget of income and expenditure for the Academy during the Critical Year (the "Projected Budget").
- 5.4 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

Multi Studio School Model

- 5.5 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “**Expert**”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “**Shortfall**”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.
- 5.6 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist’s fees shall be borne equally between the parties.
- 5.7 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert’s determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of

Multi Studio School Model

his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Termination with Immediate Effect

5.7H If the Secretary of State has determined that the Academy will be removed from the Register of Independent Schools and no appeal against that determination is pending, he may serve a Termination Notice.

If on or after 30 April 2015 or at any time thereafter but before the academy opens, the total number of prospective pupils who have accepted offers of places to attend the Academy in September 2015 is less than either (i) 30 Year 10 or (ii) 45 Year 12 pupils, the Secretary of State may:

the Secretary of State may:

- (i) direct the Academy Trust to ensure that the Charity Trustee or member resigns or is removed within 42 days, failing which the Secretary of State may serve a Termination Notice; or
- (ii) serve a Termination Notice.

Except as provided in paragraphs 2A to 3 below the (“the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the governing body of the Company.

- 2A The Company is permitted to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children¹) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where the Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2C The Company is also permitted by the Secretary of State to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children) to children whose parents have permitted Founders status. The Company should ensure that they grant Founders status according to the requirements of Charity law, which permit special provision to be made for a small group of the general beneficiaries of the Charity providing that the greatest benefit is to the wider community. The Company should only grant Founders status to a parent or guardian whom the Company has identified in its discretion as having genuinely played a material role in setting up the school and, where appropriate, whose continued role is deemed by the Company to be needed to establish the school in its early years for the benefit of the public as a whole.

- 3. Notwithstanding the generality of paragraph 2 of this Annex, the Company is not required to participate in the co-ordinated admission arrangements operated by the LA for the first year of opening but will participate in such arrangements operated by the LA in subsequent years and the local Fair Access Protocol.
- 4. Notwithstanding any provision in this Annex, the Secretary of State may:
 - (a) direct the Company to admit a named pupil to the Academy on application from a LA. This will include complying with a School Attendance Order². Before doing so the Secretary of State will consult the Company.

² Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for

 - (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the Admission Appeals Code.
5. The Company shall ensure that parents and ‘relevant children³’ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

6. Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

7. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.
